DAILY SOUND BITES

Quotes from Temple Head Coach Matt Rhule-

- On arriving: "It is unbelievably exciting. We are very grateful to be here and show our kids everything that Palm Beach County has to offer over the next five days. It's really an exciting time for our team. I think everyone is just excited to get here and enjoy everything that's here and nature. It's been nice up there but this is paradise."
- On what he told the team about the trip: "The first thing we said was go out and meet people and make sure to represent Temple the right way. We want to meet people and experience everything the bowl and area has to offer. And I told them to have fun. When it's time to have fun, have fun. When it's time to play, play. I think our team is mature enough to handle both."

Quotes from Temple Quarterback P.J. Walker-

- On arriving: "It's great. We are going to come out here and enjoy it, but we still have a game to play. We will enjoy the weather and enjoy the fun and get ready for the game."
- On the bowl week activities: "I am looking forward to going to the Everglades and doing activities as a team. Coach Rhule told us to enjoy the opportunity and enjoy the weather and everything that we have been given, but he has always focused on telling us to be ready for practice and be ready for the game."

Quotes from All-American Temple Linebacker Tyler Matakevich-

- On arriving: "It's beautiful. I mean it was 40 degrees and raining when we left, but we are excited to be down here. We can't wait to see what it has in store for us. It's real now. It's here. We are excited, and we're going to make the best out of it."
- Team reaction on getting this bowl: "Everyone is excited. You work all year to get to this point and now we can finally celebrate, relax and hope we get this W."
- Most looking forward to: "Just spending time with my team. I mean you work hard all year and you finally get to let loose and relax a little bit. You have to soak it all in, but at the same time it's a business trip. It's nice to get away, but I can't wait to just get out there on the field."
